

Pulsar Plus

The smart & powerful EV charger for your home

Faster vehicle charging in a small size

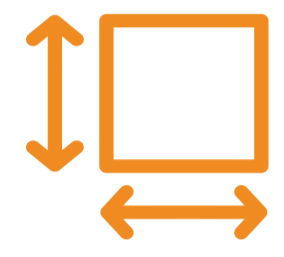

The Wallbox™ Pulsar Plus charges any electric vehicle currently available in the U.S. and is a perfect addition to a SunPower® solar + storage system.

Add Wallbox to your clean energy home today and take a smart, powerful step towards the future of electrification.

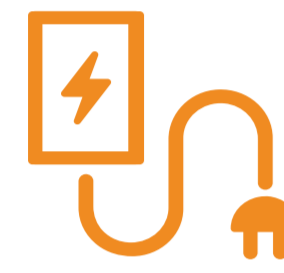

SUNPOWER®

Smart and fast vehicle charging

Compact Design, Powerful Performance

Level 2 charging technology in an incredibly small size. Adjustable capacity from 16A to 40A or 48A depending on model.

Connected and Smart

Connect Pulsar Plus to your smart devices using the myWallbox app to wirelessly control and monitor your charger via WiFi or Bluetooth.

Onboard Intelligence

Pulsar Plus lets you plug in, charge, and manage your schedules even when you can't connect to the internet.

Safe and Reliable

Type 4 dust/water resistance rating for indoor or outdoor use and backed by a 3-year warranty from Wallbox.

Rebate Eligible

Pulsar Plus is widely eligible for federal, state, and local tax credits and rebates where available.¹

Charging mode:

AC Level 2

Connector type:

Type 1 (SAE J1772)

Dimensions (not including cable):

19.8 × 20 × 9.9 cm (7.8 × 7.9 × 3.9 in.)

Color:

Matte Black

Weight:

2 kg (4.4 lb)

Cable length:

7.6 m (25 ft.)

Warranty:

3-year pass-through warranty from Wallbox

ELECTRICAL SPECIFICATIONS

Models/Rated Current:

40A or 48A

Charging Power:

9.6kW or 11.5kW

Power Input/Connection:

NEMA 14-50 receptacle (40A) or hardwired (48A)

Rated AC Voltage ± 10%:

240/208 V (Level 2)

Configurable Current:

6A to rated current

Electrical Safety Certification:

UL 2594, UL 2231

EMC Compliance:

FCC Part 15 Class B

Environmental Rating:

NEMA Type 4 per UL 50E

CONNECTIVITY & USER INTERFACE

Connectivity:

WiFi / Bluetooth

User Identification:

myWallbox app & portal

User Interface:

myWallbox app & portal

Charger Status Information:

Halo RGB LED /myWallbox app & portal

Voice Control:

Amazon Alexa and Google Assistant

¹ Incentives and tax credits vary and are subject to change. SunPower does not warrant, guarantee or otherwise advise its customers about specific tax outcomes or their ability to qualify for local incentives. Consult your tax advisor regarding the solar tax credit and how it applies to your specific circumstances. Your SunPower Dealer can help you determine incentives available in your area.
